

2022 Disney World Band Trip

** IMPORTANT NOTE **

These are the current plans as of now. They are subject to change, but we don't foresee the park days changing unless Disney changes our scheduled performance date. There will be a 'required' trip meeting in early – mid April for all those going with the band to WDW. We will post the date and let everyone know once all trip details are finalized and the meeting date is set.

Timeline:

- Tuesday, May 24th: The students are scheduled to arrive at 6PM to check in for the trip. The buses will depart FHS sometime between 8pm – 9PM.
- Wednesday, May 25th: Walt Disney World's Hollywood Studios
- Thursday, May 26th: Walt Disney World's Magic Kingdom, we will march in the pre-parade that afternoon.
- Friday, May 27th: Walt Disney World's EPCOT Center
- Saturday, May 28th: Universal Studios / Islands of Adventure / City Walk
- Sunday, May 29th: Arrive at FHS in the morning

Trip Chaperone's will be riding the buses to and from Florida and will have check in responsibilities at the parks and at the hotel. More information about chaperone duties will be given out at the trip meeting in April.

On Thursday, May 26th, the band and color-guard will March down Main Street in the Magic Kingdom. The best place for families to watch in upstairs on the balcony of the train station on Main Street facing Cinderella's Castle.

And finally, for those parents wanting to make this trip who are not selected as chaperones, Mr. Nathan Arment can help put together packages, especially for groups, at Disney World. If anyone is interested, please reach out to us and we will put y'all in contact with him.
