

Chromatic & Major Scales

Tuba

The image displays eight musical staves, each representing a different major scale for the tuba. Each staff begins with a bass clef and a common time signature (C). The scales are: C Major, F Major, Bb Major, Eb Major, Ab Major, Db Major, Gb Major, and B Major. Each scale is written as a single line of music, showing the ascending and descending sequences of notes. The descending parts of the scales are marked with a slur, indicating they should be played slurred. The scales are arranged in descending order of their starting notes.

1. Quarter note = 72 (minimum) for all scales

2. All Scales shall be performed ascending - tongued; descending - slurred.

Chromatic & Major Scales
